## **San Francisco Bay Area NeighborhoodLIFT® Approved Homebuyer Education Providers**

*Please note: The NeighborhoodLIFT program requires completion of an eight-hour homebuyer education course prior to requesting funds. The course must be taken from an agency that is certified by the U.S. Department of Housing and Urban Development and adopts the National Industry Standards for Homeownership Education and Counseling. Additional one-on-one appointment may be required from some providers. Please inquire with the agency directly to ensure they meet these requirements.*
