WHAT WE OFFER

Are you interested in an **Advanced Technology Vehicles** such as:

- Hybrid -Electric Vehicles (HEV)
- Battery-Electric Vehicles (BEV)
- Plug-in Electric Vehicles (PHEV)

CHDC is offering customers the opportunity to purchase Electric Vehicles through a partnership with California Air Resources Board and local lenders who provide low-interest vehicle loans. The program provides financial education, credit and budget counseling, as well as assistance with an electric vehicle that fits your lifestyle.

You may qualify for an additional grant for a LEVEL 2 charging station.

ELIGIBILITY REQUIREMENTS

- Valid CA driver's license
- 18+ years old
- Ability to repay loan and cover expenses related to car ownership and insurance
- Income must meet up to 400% of federal poverty guidelines
- Resident of any of the 12 counties we serve
- No recent car repossession

FINANCIAL EDUCATION

Begin building a solid financial future by learning about money and credit management, obtaining a vehicle loan and how to be a responsible borrower.

Program participants receive one-on-one counseling to review their credit report, current spending habits and create a realistic budget that will help them get a lower-interest vehicle loan. We'll work together, hand in hand to develop strategies for improving and maintaining credit.
